L1 Dulwich Hill line improvement work

From Saturday 1 to Saturday 8 November

What we are doing

To maintain network safety, service reliability and to reduce the need for ongoing maintenance, we will be undertaking track maintenance on the network.

How this affects you

Noise impact

- Work will take place **from 2am Saturday 1 November to 5am Saturday 8 November**.
- Residents and retailers may hear noise associated with the use of vehicles, cranes, generators, and tools to complete the work.
- Work may take place on adjacent footpaths, at intersections, on cross streets and side streets around the area.
- Floodlights may be used but directed away from residential areas.
- Workers may access the site before and after the works period to set-up and remove equipment.
- While workers will park their vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near the worksite.

Traffic impact

To facilitate the required works, traffic along Darling Dr, between Zollner Circuit and Ultimo Street, will be impacted during the duration of the works.

Northbound traffic will be detoured via Ultimo Street, turning left onto Harris Street, then left onto George Street, through Pitt Street, then left onto Goulburn Street through to Pier Street and finally redirected back onto Darling Drive.

For any concerns regarding the temporary traffic arrangement during the closure period, please contact the Site Supervisor:

- Call **0429 889 775** 6am to 6pm
- Call **0450 602 818** 6pm to 6am

We understand this work can impact you and your neighbours and would like to thank you for your patience. The NSW Environment Protection Authority will be notified of this work.

L1 Dulwich Hill Line partial closure due to maintenance

From **Saturday 1 to Friday 7 November**, L1 Dulwich Hill Line light rail services will not run between Central and Convention due to planned trackwork and maintenance works.

During this time:

- L1 light rail services will continue to run between **Convention** and **Dulwich Hill**.
- Due to road closures, **L1 replacement buses** will **only stop at Central Grand Concourse, Exhibition Centre** (towards Central), **Convention**, and **The Star**.
- Use alternative transport including regular bus services, L1 replacement bus services, or walking if able to, between **Central Grand Concourse** and **Convention**.
- There will be no replacement buses at the following stops: Capitol Square, Paddy's Markets, Exhibition Centre (towards The Star), and Pyrmont Bay.

L1 light rail services will resume as normal from 5am on Saturday 8 November.

All information is correct at time of printing and may be subject to change. Visit transportnsw.info regularly for service change updates.
