
Light rail

L2 Randwick and L3 Kingsford lines improvement work

From Saturday 16 to Monday 18 May

What we are doing

To maintain network safety, service reliability, and to reduce the need for ongoing maintenance, we will be undertaking track maintenance on the network.

How this affects you

Noise and traffic impact

- Work will take place **from 2.30am Saturday 16 May to 5am Monday 18 May 2026.**
- Residents and retailers may hear noise associated with the use of vehicles, cranes, generators, and tools to complete the work.
- Work may take place on adjacent footpaths, at intersections, on cross streets and side streets around the area.
- Floodlights may be used but directed away from residential areas.
- Workers may access the site before and after the works period to set up and remove equipment.
- While workers will park their vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near the worksite.

We understand this work can impact you and your neighbours and would like to thank you for your patience. The NSW Environment Protection Authority will be notified of this work.

L2 Randwick and L3 Kingsford Lines weekend full closure due to maintenance

On **Saturday 16 to Sunday 17 May**, L2 Randwick and L3 Kingsford Lines light rail services will not run due to planned trackwork and maintenance works.

During this time, use alternative transport including:

- Replacement bus services or regular bus services between **Central Chalmers Street and Randwick or Juniors Kingsford**,
- Trains, buses, or walk if able to, between **Circular Quay and Central Chalmers Street**.

Allow extra travel time and use the Trip Planner or check travel alerts on transportnsw.info to see if your travel is affected.

All information is correct at time of printing and may be subject to change. Visit transportnsw.info regularly for service change updates.
