## L1 Dulwich Hill line, L2 Randwick and L3 Kingsford lines improvement work

From Monday 22 to Thursday 25 June

---

### What we are doing

To maintain network safety, service reliability, and to reduce the need for ongoing maintenance, we will be undertaking track maintenance on the network.

### How this affects you

#### Noise and traffic impact

#### Nightly from 9:30pm to 3:30am:

- L1 Dulwich Hill line improvement work will take place from **Monday 22 to Wednesday 24 June**, and
- L2 Randwick and L3 Kingsford lines improvement work will take from **Monday 22 to Thursday 25 June**.
- Residents and retailers may hear noise associated with the use of vehicles, cranes, generators, and tools to complete the work.
- Work may take place on adjacent footpaths, at intersections, on cross streets and side streets around the area.
- Floodlights may be used but directed away from residential areas.
- Workers may access the site before and after the works period to set up and remove equipment.
- While workers will park their vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near the worksite.

We understand this work can impact you and your neighbours and would like to thank you for your patience. The NSW Environment Protection Authority will be notified of this work.
