L4 Westmead & Carlingford Line maintenance works

Wednesday 8 and Thursday 9 July

What we are doing

To maintain network safety, service reliability and to reduce the need for ongoing maintenance, we will be undertaking track maintenance at Westmead Station.

How this affects you

Noise and traffic impact

- Work will take place from **10am Wednesday 8 July** until **4am Thursday 9 July 2026**.
- Residents and retailers may hear noise associated with the use of vehicles, generators, and tools to complete the work.
- Work may take place on adjacent footpaths, at intersections, on cross streets and side streets around the area.
- Floodlights may be used but directed away from residential areas.
- Workers may access the site before and after the works period to setup and remove equipment.
- While workers will park their vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near the worksite.

We understand these works can impact you and your neighbours, and would like to thank you for your patience and cooperation in helping us ensure the safety of the community.

The NSW Environment Protection Authority will be notified of these works.
