Light rail

L4 Westmead & Carlingford Line maintenance works

Saturday 21 to Monday 23 November

What we are doing

To maintain network safety, service reliability, and to reduce the need for ongoing maintenance, we will be undertaking track maintenance on the network.

How this affects you

Noise and traffic impact

- Work will take place from **2am Saturday 21 November** until **5am Monday 23 November 2026**.
- Residents and retailers may hear noise associated with the use of vehicles, generators, and tools to complete the work.
- Work may take place on adjacent footpaths, at intersections, on cross streets and side streets around the area.
- Floodlights may be used but directed away from residential areas.
- Workers may access the site before and after the works period to setup and remove equipment.
- While workers will park their vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near the worksite.

We understand this work can impact you and your neighbours, and would like to thank you for your patience and cooperation in helping us ensure the safety of the community.

The NSW Environment Protection Authority will be notified of these works.

L4 Westmead and Carlingford Line closures due to maintenance

From **Wednesday 18** to **Sunday 22 November**, L4 Westmead and Carlingford Line light rail services will be impacted by closures due to planned trackwork:

- From **Wednesday 18** to **Friday 20 November**, L4 light rail services will not run between **Westmead** and **Parramatta Square**.
- On **Saturday 21** and **Sunday 22 November**, all L4 light rail services will not run.

During this time, use alternative transport including L4 replacement bus services, trains, regular bus services or walking if able.

Allow extra travel time, and use the Trip Planner to see if your travel is affected.

All information is correct at time of printing and may be subject to change. Visit transportnsw.info regularly for service change updates.
